

SUPPLIER BUSINESS CLASSIFICATION

As a U.S. Government contractor and subcontractor, PaR Systems, Inc., and its holdings, is required to annually validate its supplier and subcontractor compliance with existing government statutes dealing with business size.

To comply with these Government requirements, it is essential that PaR Systems, Inc. maintain up-to-date records regarding size and ownership status of all current suppliers of products and services.

*Please confirm your compliance with the **"BUSINESS CLASSIFICATIONS CERTIFICATION"** below. Thank you for your cooperation.*

BUSINESS CLASSIFICATION CERTIFICATION

In accordance with government regulation and prime contract requirements, PaR Systems is required to verify the business size and classification of its suppliers and subcontractors. We ask your cooperation by completing and returning this form to the sender within ten (10) days. Your prompt response will avoid unnecessary delays in future transactions.
