**For Immediate Release**

## **PaR Systems, Inc. is Awarded the CE Marking Certification**

*Awarded CE Marking Certification for PaR's Compact Laser Product*

PaR Systems, Inc., a world leader in [aerospace manufacturing, material handling and automation solutions](#), has completed all the testing qualifications with PaR's Compact Laser product and has been awarded CE Marking Certification on December 10<sup>th</sup>, 2015. The CE Marking accomplishment will help grow and extend PaR's laser products to the European Union.

CE Marking is a part of the European Union's harmonization legislation signifying that businesses can trade within the European Economic Area without restrictions. The CE Marking also provides consumers with health, safety, and environmental protection throughout the entire European Economic Area.

### About PaR Systems Inc.

PaR Systems, a portfolio company of MML Capital Partners ([www.mmlcapital.com](http://www.mmlcapital.com)), is a world leader in providing advanced intelligent solutions for critical material handling, automation, and robotic applications that drive customer quality, safety, and productivity.
